The EAU is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists.

The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net.

The 41st Annual EAU Congress is designated for a maximum of 28 European external CME credits.

Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

The EACCME credit system is based on 1 ECMEC per hour with a maximum of 8 ECMECs for a full-day event.

EACCME credits are recognised by the American Medical Association towards the Physician's Recognition Award (PRA).

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 3) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.
